

# NORTHWEST LANGLEY WASTEWATER TREATMENT PROJECTS

## Fraser River Crossing

OCTOBER 2021

### Feedback Highlights

Thank you for taking the time to join us at our project open house held on September 9, 2021. Below is a high-level summary of what we heard. Where possible, we will incorporate your input into our project planning.

### What We Heard

Concerns about safety of residents and to the community as a whole

Interest around alternate access routes to project area

Concerns about traffic congestion in the area in combination with current train delays and additional truck traffic

Interest in how the integrity of the roadway and dyke will be maintained

Questions about how traffic will be controlled and managed in the area

Comments about the delivery of communication materials and project updates

Questions about vibration impacts to homes how and noise will be mitigated

Questions about odour and construction of the new Pump Station

Questions around access and impacts to the Hammond Dog Park
