Attention: **Paul Henderson,**
General Manager, Solid Waste Services

Dear Paul Henderson;

**Re: Submission of the 2020 Bottom Ash Management Plan for the Metro
Vancouver Waste-to-Energy Facility**

Thank you for your letter and supporting documentation, dated November 6, 2020, requesting approval of an updated Bottom Ash Management Plan for the waste-to-energy (WTE) facility.

Section 2.12.3 of the Greater Vancouver Sewerage and Drainage District (GVS&DD) operational certificate (OC) 107051 states that a Bottom Ash Management Plan must be submitted and that the plan must be acceptable to the Director.

Ministry staff have reviewed the written submission and, based on the information provided, the updated Bottom Ash Management Plan satisfies section 2.12.3 of OC 107051. As such, the updated Bottom Ash Management Plan is considered acceptable to the Director.

All other conditions of operational certificate 107051 continue to apply.

If you have any questions regarding this letter, please contact Cam Webster at (236) 468-2255 or the undersigned at (250) 312-6716.

Sincerely,

A handwritten signature in black ink, appearing to read "Carol Danyluk". The signature is fluid and cursive, with the first name being more prominent.
