

**Secure
your load
to keep
our roads
clean and
safe**

Loads arriving at Metro Vancouver and City of Vancouver disposal facilities must be secured. Under the authority of Metro Vancouver's Tipping Fee and Solid Waste Disposal Regulation Bylaw, vehicles with unsecured loads may be charged an additional 50% of the tipping fee (up to \$50).

Why secure your load?

Loose garbage:

- Creates hazards for drivers and cyclists
- Leaves a mess in our communities
- Contaminates our natural environment
- Costs hundreds of thousands of dollars to clean up each year

LOAD TYPE

METHOD TO SECURE

- Yard trimmings or dirt
- Construction or demolition waste (loose)
- Other garbage or recyclables (loose or in bags)

TARP

Unsecured

How do I secure my load?

- Use a tarp to cover yard trimmings or other materials that could blow away
- Use a rope or straps to tie tarps and other objects to your vehicle
- Ask yourself, "Would I feel safe if I were driving behind my vehicle?"
