

Free* Residential Green Waste Program

For New Westminster
Residents

*Free – to a maximum of 1 tonne per trip

Free* Residential Green Waste Program

at the United Boulevard
Recycling and Waste Centre for
New Westminster residents

*Free (to a maximum of 1 tonne per trip)

Green waste includes

- Grass clippings
- Leaves
- Plants and plant cuttings
- Tree and hedge prunings
- Tree branches (max. 10 cm diameter)

Program requirements

- Residents must show a valid driver's license or a current utility, property tax, electrical or gas bill for proof of residency
- Green waste must be delivered in a secured load (inside vehicle or secured in a tarp for trucks and trailers)
- All residents must weigh out after the green waste is dropped off
- Mixed material loads will have to be dropped off separately
- Residents must use personal vehicles only (no business decals on vehicles)
- Green waste from commercial operations (landscaping or yard maintenance businesses) will not be accepted
